## A MESSAGE FROM MISS LOREN

15<sup>th</sup> March, 2024

Dear Families,

Exciting news, starting Day 1 of next term, air conditioning will start being installed across the school. This will be a staged project.

- Stage 1 - Admin block
- Stage 2 - Performing Arts
- Stage 3 - Neighbourhood Spaces

The neighbourhood spaces work will occur partially during the mid-year holiday breaks. In order to decrease impact on teaching and learning, as each stage commences, the community will continue to be informed about any disruptions to access. The company in charge of the works will set up a compound near the rubbish shed at the back of the school.

*We acknowledge the Wurundjeri people of the Kulin Nation, the traditional custodians of the land we work, play and learn on. We acknowledge and pay our respects to their history, culture and Elders past, present and emerging.*

Keelonith Primary School is a child safe organisation which welcomes all children, young people, and their families. We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives.

### **Volunteer Induction Sessions**

Thank you to the 30 plus people who attended our Volunteer Induction Sessions. We will be conducting another session on Monday 25<sup>th</sup> March at 2:30pm – 3:15pm to replace the session impacted by my illness 2 weeks ago. Please follow link to sign in for the event, which will take place in the library.

### **School Council AGM**

Tuesday 19<sup>th</sup> March is our School Council AGM. All members of the School Community are welcome to attend. We meet in the school library at 6:30pm.

### **Cross Country**

Our KPS cross country went well. The students demonstrated house spirit all day and did a great job of supporting both their housemates and their friends in other houses.

### **NAPLAN**

We are halfway through the NAPLAN sessions. We have completed Writing, and Reading, and our students have been very focussed at these times. Next week we have Language Conventions on Monday, and Numeracy on Tuesday. Well done families and staff on your support of our learners.

### **Coffee, Cake and Conversation (CCC)**

CCC took place on Thursday afternoon. We had 14 participants. Thank you to those people for your candid questions and feedback. The next session will take place at 9:10 am on Tuesday 23<sup>rd</sup> April, I hope to see you there.

### **Thursday 28<sup>th</sup> March**

This is the last day of the term, we finish at **2:30pm**. Assembly will take place at 1:50pm, our raffle will be drawn at this time.

Have a great weekend,

Loren Peavey

## **REMINDERS**

### **Yard Supervision hours**

The school yard is supervised from 8:45am in the morning until 3:45pm in the afternoon. Families with children in the yard unsupervised outside of these hours will be called to come and collect their children. It is an offense to leave Primary School aged children unsupervised. Please utilise SchoolsOUT, our onsite out of hours care provider.

## Jewellery

Jewellery, permanent jewellery (bracelets without clasps) and long earrings are safety risks at school, they can easily be caught and cause harm in many situations. Our School Policy clearly outlines that children cannot wear these at school. <https://keelonithps.vic.edu.au/wp-content/uploads/2021/10/KPS-Uniform-Policy.pdf>

We ask that families remove all jewellery prior to the start of the school day.

Families who have religious reasons for jewellery must put this in writing and address to the email to Miss Loren (Principal)

# KPS VALUE AWARDS

CHEER Values Recognition Each week students will be awarded certificates for demonstrating the school values, these awards are presented at assembly and are a surprise for our learners. The awards will not be tokenistic, and we will not be running through a list across the year. CHEER Recognitions from 1<sup>st</sup>, 8<sup>th</sup> and 15<sup>th</sup> March are pictured.

### Who are we?

We are 1C! We are in Neighborhood D, at the back of the Green Building.

Our mentor space is called...

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives.

In our Neighbourhood, we have been learning about time and how to tell time by hour. We have made our very own clocks using our minute and hour hands.

### 1C Class Jokes -

“Why was the clock sent to the principal’s office?”

**Because he was tocking too much in class!**

“How can you make time fly?”

**Throw the clock out the window!**
