

# PERFORMING ARTS

**TERM 2 2024**

During Performing Arts in Term 2, Prep students will be focusing on music and dance around the world. We will be experiencing a variety of music, instruments and traditional dances from many different countries, whilst incorporating rhythm and beat.

Our Year 1 students will be participating in a study of music fundamentals. The focus will be creating a musical shaker, and experimenting with timbre, pitch, rhythm, beat and tempo. During the term they will also try out a wide range of instruments, including singing.

Teacher: Jenny Farrelly.
