

# PERFORMING ARTS TERM 2 2025

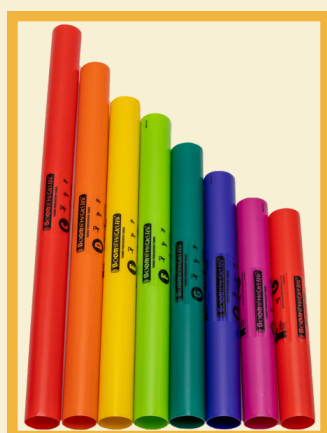

During Performing Arts, all students will be focussing on the school's CHEER values. They will be incorporating different parts of these values in music games and activities.

Our Prep students, will be focusing on music and dance around the world. They will be experiencing a variety of music, instruments and traditional dances from many different countries. The students will be introduced to the elements of music and will be exploring rhythm, beat and tempo.

Our Year 1 students, will be creating a musical shaker, and experimenting with timbre, pitch, rhythm, beat and tempo. They will be creating and performing compositions as a group using their shakers. The students will continue to develop their knowledge of the elements of music by, selecting and combining different elements when composing and practising music for a in class performance.

Our Year 2 students, will be focussing on making music using different instruments. They will begin the term by using bucket drums to further develop their rhythm, beat and tempo skills. Then the students will be playing and making music using boom whackers. They will continue to develop their knowledge on pitch and the solfege scale. They will learn different songs using notes on the stave to play and create different melodies.

Teacher: Jenny Farrelly.
