

# Year 1

Term 2 Overview 2025

## What are we learning?

### Biological Sciences: Australian Animals & Habitats

Students will explore different Australian habitats and the animals that live there. They will learn about habitats including the Australian bush, rainforest, desert, and ocean and discover facts about the animals that live in each environment.

### Literature Focus: The Speedy Sloth

Students will read *The Speedy Sloth* by Rebecca Young and develop their comprehension skills by making predictions, answering questions, retelling key events and discussing the story. They will use adjectives to describe how the characters look and feel, explore suffixes and compare characters.

### History: Celebrations

Students will learn about different celebrations, family traditions and special events. They will learn about what we celebrate, why we celebrate and how people come together in different ways to celebrate.
