

# PERFORMING ARTS

## TERM 2 2026

### Prep

The Prep students will continue to explore music through songs and rhymes, including familiar songs and music from around the world. They will begin learning about elements of music such as tempo and pitch, and explore these using their voices and a variety of instruments. Students will continue developing their understanding of beat and rhythm through a range of songs and musical games.

### Year 1

Year 1 students will focus on understanding why we have music and why it is made. They will continue listening and respond to a variety of music, they will learn the solfege scale and learn a song about the Aboriginal six seasons. They will further develop their understanding of the elements of music focusing on beat, rhythm, melody, tempo and mood.

### Year 2

Year 2 students will complete two units this term, focusing on bucket drumming and melody tubes.

Throughout these units, students will apply their understanding of the elements of music. They will focus on beat, rhythm, pitch, tempo, dynamics and using graphic notation. Students will also create and perform their own melodies using melody tubes.

Teacher: Jenny Farrelly.
