What are we learning?

Science: States of Matter, Mixture & Solutions - Students will explore different states of matter such as solid, liquids and gases. They will also discover through scientific experimentation how different states of matter move and how mixtures are made.

Literature Focus: 'Blueback' by Tim Winton - Students will learn how to use background knowledge to understand the setting of a text. They will also explore how the author's message and the narrative point of view can impact how readers interpret a story.

Reconciliation Week - In week 6 the whole school will explore and celebrate reconciliation week.

History: Immigration - Students will focus on the historical contexts behind different groups migrating to Australia during the time of settlement and its impact on society.

Reminders

- **Home Reading** - 20 minutes, 4 times per week. Please sign your child's student diary and bring it to school each Monday.
- **Fruit/Vegetable snack** - Can be eaten during learning. In a separate container is best.
